

## SILVER STIRRUPS

Geauga Horse and Pony Association

Advisors: Natalie Knop, Brie Allen, and Alison Knop

### Mission Statement:

Silver Stirrups will uphold fun, safety, and education, building towards strong horse management skills, and the fundamentals of horse showing. The club encourages building strong character, morals, and promotes friendly relationships for the youth members of G.H.P.A.

The reason we are starting this club is to teach kids more about the basic maintenance and wellbeing of horses along with giving them the opportunity to participate in horse shows with girls and boys their own age and skill level. We want all kids from different barns, trainers and clubs to feel welcome and to be a part of this wonderful group and join us on this new adventure! Silver Stirrups is affiliated with the Geauga Horse and Pony Association and will be doing hand-in-hand events and clinics that will help members meet goals and achieve self-confidence along the way. The club will begin in January of 2015 and will meet at the Hambden Town Hall the first Monday of each month at 7:00pm and at Hambden Hills Stables come spring. Each meeting will include an educational element about horses and will also encourage interaction between members. We are all about meeting and making new friends that will last a life time! Lease options are available upon request for the 2015 show season with an evaluation from Natalie and/or Brie.
