- J. ENTRY FEES:** An entry fee may be charged and must be uniform to all exhibitors in the class. Entry fees shall be specified on the entry form.
- 6. RIDER ABILITY.** Show divisions within GHPA are: Lead Line, Walk-trot 9 & under, Walk-trot 10 through 18, Novice (Beginner), Open, Contesting, Open Ranch, Limited Ranch, and Jumping. [2/1/07, 3/12/15, 4/23/19] The divisions are based on **rider age and/or ability only**, not horse/pony age and/or ability. Exceptions to this rule are special events or jackpot classes. [11/1/92, 3/2/05, 4/12/18]
- A. LEADLINE:** The division is for riders aged 6 years and under and is to be judged on equitation or horsemanship only. Proper English or Western attire required. Matching outfits for the rider and handler are not a requirement to be considered in judging. The rider is not eligible in any other riding class, unless otherwise stated on the show flyer. [4/11/91, 11/1/92, 2/4/21]
- B. WALK-TROT YOUTH (ALL AGES):** The division is for youth riders who have never cantered a horse at a show. A Walk-trot youth rider is not eligible to show in any class not designated Walk-trot (including contesting classes). [12/2/98, 3/2/05, 2/1/06, 4/12/18] Youth Walk-trot riders may not cross over to any Open or Ranch division classes [4/23/19]. Each Walk-trot youth division is open to all youth Walk-trot exhibitors, as defined by the exhibitors show age (See rule 5B). [3/2/05]
- C. NOVICE:** The division is for riders who can walk, jog or trot, and lope or canter (controlled) both ways of the ring. The riders are not skilled in obtaining the correct leads at the lope or canter or posting the correct diagonals at the trot. The Novice division is open youth 18 & Under. [11/1/92, 4/12/18] A Novice rider is not eligible in any class not labeled Novice or Walktrot Canter (including contest classes). - D. WALK-TROT NOVICE DIVISION ADVANCE:** A rider is required to move up to the next divisional level of competition if any of the following apply:
- i.** After receiving a year-end all around high point award in a single division in any two (2) show seasons. [2/7/01, 2/1/06]
 - ii.** After accumulating 150 points or more in the following classes: Showmanship, Horsemanship, Equitation, English pleasure, Western pleasure, and trail and/or discipline rail classes. [3/02/05, 2/1/06, 1/2/08, 4/12/18] The points stay with the rider and carry over from one show season to the next beginning with 2001 show points. After the rider moves up to a new division, the points start over at zero (0). [3/6/02] If any of these

conditions exist and the rider chooses to remain in the same division in which the points or awards were earned, the rider becomes ineligible to receive daily high point awards and/or year-end high point awards in that division the following year. Riders in the Walk-trot 9 & Under division meeting the criteria outlined above may choose to move up only to the older age group within the Walk-trot division and will not be required to move to the Novice division. These participants will be eligible for daily high point awards and year-end awards in the older age group within the Walk-trot division. [11/1/92, 02/7/01]

- iii. A parent or guardian may appeal on behalf of any rider required to advance from Walk-trot to the Novice division due to accumulation of 150 or more points. An appeal must be made prior to the start of the show season. The Board of Directors will determine whether or not to allow the rider to continue in the Walk-trot division for that show season and compete for high point awards. [2/1/06, 1/02/08, 4/12/18]
- E. No rider or handler is permitted to cross over between divisions. This will result in forfeiting points for year-end and daily high point awards. [1/8/88, 3/1/00, 4/12/18]
- F. **OPEN YOUTH AND ADULT:** The Open divisions are for riders who can walk, jog or trot, and lope or canter (controlled) their horse both ways of the ring. The riders are skilled in obtaining the correct leads at the lope or canter, and posting the correct diagonals at the trot, and other advanced maneuvers requested by judge. [4/12/18] Each open division is open to all open youth or adult exhibitors, as defined by the exhibitor's show age (See rule 5B). [3/2/05]
- G. **CONTEST:** The Contest division is open to all Open youth and adult exhibitors. [3/2/05] If a member competes in the Contest division, he/she may not ride in any Walk-trot or Novice division. He/she must ride in the Open youth or adult divisions. [5/9/90, 4/11/91]
- H. **4-H MEMBERS & OTHERS:** (all counties) If participant shows Walk-trot or Novice (Beginner) at 4-H shows, he/she must ride in the same division at GHPA shows. If 4-H participant is in Intermediate, Junior Advanced or Senior Advanced, he/she must show in the GHPA "Open Youth 18 & under" division. [11/1/92] Adult exhibitors who belong to other horse organizations or who participate in horse shows other than GHPA must ride in the corresponding division for GHPA shows. [11/8/03]

In the Open division, if there are 6 or more exhibitors in a class, only 5 will be placed, with 1st place receiving 6 points. In both divisions, if fewer than 6 horses are shown in a class, 1st place will receive as many points as the number of horses shown with each lower placing receiving 1 less point. Points are not awarded for jackpot or special event classes and are not included in daily high point or year-end class or high point awards. Double points shall be awarded in regular classes at double judged shows. Exception: Contesting exhibitors pay a single entry fee, run one (1) timed run, and receive points for one class. [3/2/05, 4/23/19, 2/4/21]
- K. THE SHOW BILL** for regular GHPA shows will be determined by the Show Committee prior to the beginning of each show season. GHPA may include but is not limited to nor required to offer any of the following classes at the discretion of the Show Committee. [3/2/05, 2/1/06]
- i. SHOWMANSHIP CLASSES:** To be judged on the ability of the exhibitor to properly show their horse/pony and upon the grooming, fitting & turn out of the animal. The confirmation of the horse/pony has no bearing on placing in the class. Credit should be given to properly **braided/banded** manes and tails. Grooming, fitting & turn out of the animal 40%, appearance of exhibitor & tack 10%, showing animal 50%. [1/8/88] Patterns are required. [11/18/02] Points earned in regular showmanship classes may be accumulated towards daily high point. Points earned in regular showmanship classes may be accumulated towards year-end class and high point awards. [4/1/05, 4/12/18]
- ii. HALTER CLASS:** Horses are to be judged on confirmation, type, soundness, and way of going. [4/12/18, 4/23/19] Horse/pony to be shown in hand at the walk and trot and standing. [1/8/88] Any headstall suitable to 1) the breed of horse shown 2) current breed association standards 3) consistent with handlers' attire (e.g. English or Western), may be used. Points earned in regular halter classes are on the horse, not the handler, and are accumulated towards year-end halter class awards. Points earned in halter classes may be accumulated towards daily high point, and year-end class and high point rider awards. [3/2/05, 2/1/06, 4/12/18]
- iii. HORSEMANSHIP & EQUITATION CLASSES:** Riders will be judged on seat, hands, and ability to position 35%, appointments 15%, performance 50%. [1/8/88] Patterns are required. Rail work is mandatory one way of the ring – to be judged at a walk, jog and/or trot, and/or lope or canter. The opposite direction may be shown at the judge's discretion. [11/8/02, 3/2/02] Points earned in regular horsemanship and equitation classes are accumulated towards daily high point awards. Points earned in all regular horsemanship and equitation classes may be accumulated towards year-end class and high point awards. Points earned in horsemanship and equitation classes in the Walk-trot and Novice divisions are maintained on the rider from year to year and count towards the Division Advance requirement (See Rule 6DF). [3/2/05, 4/12/18, 2/4/21]

- iv. PLEASURE CLASSES:** To be judged on the performance and way of going, with emphasis on manners, appointments, equipment, neatness, and confirmation. Horses to be shown at a walk, true jog or trot, lope or canter at the judge's request both ways of the ring on a reasonably loose rein without restriction. Entries shall be penalized for being on wrong lead **at the lope or canter**. Horses are required to back easily and to stand quietly. Junior horses age 5 and under may be shown with a hackamore (bosal), or "D" or "O" ring snaffle bit [5/9/90] with both hands on reins. [1/8/88] Riders may be requested to drop their horses' bits at the judge's discretion. Points earned in regular pleasure classes are accumulated towards daily high point awards. Points earned in all regular pleasure classes may be accumulated towards year-end class and high point awards. Points earned in English and Western pleasure classes in the Walk-trot and Novice divisions are maintained on the rider from year to year and count towards the Division Advance requirement (See Rule 6D). [4/1/05, 4/12/18, 2/4/21]
- v. FANNY RACE CLASSES:** To be judged by elimination. All classes to be ridden with no saddles and no chaps. This includes Walk-trot and Novice divisions. [11/1/92] Points earned in regular fanny race classes are accumulated towards year-end class awards and towards divisional daily high point. [3/1/00, 3/2/05, 2/4/21]
- vi. DISCIPLINE RAIL CLASSES:** To be judged on the ability of the highly trained horse or pony, with emphasis on performance and way of going, manners, appointments, equipment, neatness, and confirmation. Proper attire must be worn. Correct leads are required. Judge shall work the class adequately but must not overwork the entries. Final judging shall be on the basis of the best overall discipline rail performance. The class routine shall be to perform on the rail, and may include but is not limited to: a walk, trot or jog, slow lope or controlled canter, hand gallop, flying lead change each way of the ring, transition into lope or canter from halt, departing and traveling on the counter lead at the lope or canter, side pass right and left (once each way), turn on the forehand, either or both directions, turn on the hind, either or both directions, halt and stand quietly. The judge may ask for additional work. This is not a game or "fault and out" class and shall not be judged on an elimination basis. At all times the safety of horses and exhibitors is to be the first concern. Points earned in regular discipline rail classes are accumulated towards year-end class and high point awards [4/1/05, 4/23/19] Points earned in disciplined rail classes in Novice divisions are maintained on the rider from year to year and count towards the Division Advance requirement (See Rule 6D). [4/1/05, 2/4/21]
- vii. HUNTER HACK:** The purpose of hunter hack is to give horses an opportunity to show their expertise over low fences and on the flat. The class will be judged on style over fences, even hunting pace, flat work, manners and way of going. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance. Horses are first required to jump two fences set at two feet. The jumps will be set in a line adjusted to no less than two strides (12 feet) with a ground line at each jump. Horses being considered for placing are then to be

shown at a walk, trot and canter both ways of the ring. Judges reserve the right to excuse disqualified contestants from ground work. Contestants may be asked to hand gallop, pull up or back and stand quietly following the last fence. Horses eliminated in the over-fence portion of the class shall be disqualified. [5/2/18]

- viii. EQUITATION OVER FENCES/CROSSRAILS:** This equitation seat is judged on hands, seat, legs, use of aids, and control. Each entry individually executes a course consisting of six to ten jumps over a minimum of four obstacles (obstacles should be at least 60 feet apart) Performance of the horse, such as quality of gaits, jumping style, fence touches, and knockdowns counts only insofar as affected by faults or skills of the rider. Judging begins when rider enters the arena. The course may be designed and arranged by the show chair but must meet the approval of the Judge. Jumps should be at least 12 feet in width, preferably with wings. Jumps should have a substantial appearance; rails should be at least 3 inches in diameter. Frightening or strange jumps should be avoided. Ground poles or a visible ground line must be used in front of all fences. At the end of the course, the rider transitions to a trot and demonstrates a circle at the sitting /posting trot, or both, then exits the arena at a walk. The course is worked at a working canter (at the trot for walk-trot cross rails). Each contestant may make one approach circle before approaching the first jump. Thereafter, any deviation from the course, loss of forward motion, refusal, runout, bold on the course, extra circle, or show of an obstacle to a horse is disobedience. A total of three disobediences results in disqualification. Disqualified entries should leave the ring immediately when dismissed. **All exhibitors in jumping classes must wear an ASTM/SEI certified helmet with harness fastened.** See page 14 for approved safety headgear guidelines. Dismounting during the course without the judge's permission, jumping an obstacle before it is reset, failure to complete the proper course, or horse and/or rider falling in competition causes disqualification. Scoring is on a basis of 10 to 100, according to the following:
- a. 90 to 100: Excellent equitation, position, and presentation; meets all fences squarely and with proper striding.
 - b. 80 to 89: Minor equitation faults, minor stride problems causing uneven arc over fences; one step in counter canter as the horse jumps a fence; rider still gives a quality ride.
 - c. 70 to 79: More problems occur, equitation suffers, i.e., rounded shoulders, heels not down, hands incorrect, lacks style and presence. One major fence problem, i.e., chip with rider out of position, a lead change where not needed on pattern, jumping off to the side of jump, but no dangerous fences. Not a flowing course.
 - d. 60 to 69: Major equitation faults; poor body position, loose legs and seat; failure to maintain even canter pace; failure to maintain correct lines between fences.
 - e. 40 to 59: Breaking to a trot on pattern (does not apply in walk-trot cross rails); counter canter around ends of arena; missed lead changes; simple change(s) of leads (except in novice classes); loss of stirrup; dropping a rein; extra strides in a combination.
 - f. 10 to 39: Rider avoids elimination; one or two refusals, knockdowns, or dangerous fences.

If rider steps into wrong lead for one or two strides on the initial approach circle, it is noted and can be used a tie breaker in rides otherwise equal in quality. [4/23/19]

- ix. WORKING HUNTER OVER FENCES/CROSS RAILS:** This competition is based on the manners, way of going, and style of jumping that would be suitable for the hunt field. Horses must be serviceably sound, and proper attire (same as equitation over fences) is required. Judging begins when exhibitor enters the arena. Each horse must individually negotiate a course consisting of at least six jumps over a minimum of three different obstacles. At least two changes of direction are recommended. The course diagram must be posted at least 30 minutes before the class is called. The course must meet the judge's approval. Obstacles should be at least 60 feet apart, if possible. A visible ground line should be in front of all fences. In-and-out fences are allowed only in regular hunter classes. Fences that are spreads should not be further apart than the height of fences. Riders may enter only one height division. If the rider gets a new horse, he/she should start at the level suitable to the horse. Scoring: to be judged on manners, way of going, and style of jumping. Horses shall be credited with maintaining an even hunting pace that covers the course with free-flowing strides and under control. Preference is given to horses correct jumping style and that meet fences squarely, jumping at the center of the fence. Judges shall penalize unsafe jumping and bad form over a fence, whether touched or untouched, including twisting and failing to adequately fold a leg over the fence. Incorrect leads around the ends of the course or cross-cantering shall be penalized as well as excessive use of the crop. In-and-out jumps shall be taken in the correct number of strides as indicated or be penalized. Any error that endangers the horse and/or the rider, particularly refusals or knockdowns, shall be heavily penalized. Scoring is on a basis of 10 to 100, with a breakdown as follows:
- a. 90 to 100: An excellent performer and good mover that jumps the entire course with cadence, cadence, and style.
 - b. 80 to 89: A good performer that jumps all fences reasonably well and commits only one or two minor faults.
 - c. 70 to 79: An average mover that makes no serious faults, but lacks the style, cadence, good balance, and longer stride of the top horses. Commits few minor faults.
 - d. 60 to 69: Poor mover that makes minor mistakes, fair or average mover that has one or two poor fences but no major faults or disobediences.
 - e. 50 to 59: Horse that commits one major fault, such as a hind knockdown, refusal, trots on course (Does not apply in walk-trot cross rails), cross canters, performs a simple change of lead, or drops or fails to fold a leg over a fence.
 - f. 30 to 49: A horse that commits two or more major faults, including front knockdowns and refusals, or jumps in a manner that endangers the horse and/or rider.
 - g. 10 to 29: Horse that avoids elimination but jumps in such a manner that it does not merit a higher score.

Elimination:

- a. A total of three refusals, which can include any of the following: refusal, stop on course (unless necessary to reset a jump or to retrieve a lost helmet), run out, or extra circle.
- b. Jumping an obstacle before it is reset.

- c. Bolting out of the arena.
- d. Off course; does not complete the course; jumps an extra fence at the end of the course.
- e. Deliberately addressing an obstacle.
- f. Jumping a fence that is part of the course before starting the course (unless designated as a practice fence).
- g. Horse and/or rider falling in competition.

General Judging Information:

- a. Circling once upon entering the ring is permissible.
- b. After jumping the last fence, the horse shall trot a circle prior to exiting the arena to evaluate soundness and way of going. Failure to trot a circle prior to exiting the arena may be penalized at the judge's discretion.
- c. Horses are not asked to re-jump the course to break ties.
- d. When an obstacle is composed of several elements, a disturbance of these elements is penalized, but only a reduction in the top element is considered a knockdown.
- e. In cases of broken equipment, the rider may continue without penalty or stop and correct the problem and be penalized as a loss of forward motion. If the helmet is lost, the rider must stop and ask permission from the judge to dismount and get the helmet. The horse and rider are penalized as a stop of forward motion.
- f. When a fence includes two obstacles, such as in-and-out jumps, faults at each obstacle are considered separately. In case of a refusal or a run out at the second obstacle, the entry may re-jump the previous obstacle as well.

Disobediences (Major Faults -cannot be scored higher than 59):

- a. Refusal- When a horse stops in front of an obstacle (whether or not the fence is knocked down or altered), it is a refusal unless the horse then immediately jumps the fence without backing one step. If the horse backs one step, it is a refusal.
 - (i) After a refusal, if the horse is then moved toward the obstacle but does not attempt to jump, it is considered another refusal.
 - (ii) In case of a refusal on an in-and-out jump, the horse must return to the start of the in-and-out sequence and re-jump the previous elements as well as the following elements.
- b. Run-out: A run-out occurs when a horse evades or passes the obstacle to be jumped; jumps an obstacle outside its limiting markers; or knocks down any standard, wing, or other element limiting the obstacle without the obstacle being jumped).
- c. Loss of forward movement: failure to maintain a canter on course, except when it is a refusal, a run-out, any uncontrollable circumstance, or a fence that needs to be reset.
- d. Unnecessary circling on course. Any form of circle or circles whereby the horse crosses its original track between two consecutive obstacles anywhere on course, except to retake an obstacle after a refusal or a run-out.

Faults to Be Scored According to the Level of Severity (can range from minor to major, depending on severity):

- a. Light touches or rubs against the jump.
- b. Missing a lead change.

- c. Switching leads where not required.
 - d. Spooking or shying.
 - e. Pinning ears or wringing tail.
 - f. Knocking down any part of a fence.
 - g. Bucking.
 - h. Jumping out of form (not jumping the center of the fence, incorrect arc over fences, too much speed or inconsistent speed, legs not folded properly over the fence etc.).
 - i. Lacks manners and/or responsiveness. [4/23/19]
- x. **TRAIL CLASSES:** To be judged on performance and way of going, with emphasis on manners, appointments, equipment, neatness, and confirmation. Requires animals to work over and through obstacles. Tests which may be required are negotiating gate, carrying objects from one part of the ring to another, riding through water, over logs or simulated brush, crossing bridge, backing through obstacles, side passing, dismounting from either side and performing over any reasonable conditions encountered along the trail. Course to include a minimum of four (4) obstacles. While horse/pony is in motion, rider's hands shall be clear of animal to avoid cuing. Animals are to be penalized for any unnecessary delay while approaching obstacle. Judge may ask rider to advance to next obstacle after three (3) refusals. Refusals at three (3) separate obstacles will result in disqualification. Course should be posted at least one (1) hour before the class is worked. Each horse/pony may enter only once. Proper attire is required. [1/8/88, 4/12/18]
- xi. **GENERATION GAP CLASSES (Small Grandstand):**
 There must be a minimum of 10 years difference in age of riders. One rider is required to be 18 or under and must adhere to the division they ride in for regular classes. 1st rider will work walk and jog/trot. 2nd rider will work walk, jog/trot and lope/canter. The age of rider or exhibitor does not determine who works as the 1st or 2nd rider. Only one exhibitor of the pair needs to sign up for the class and there will be a spot to list the name of the 2nd rider on entry form. Each pair of riders shall use the same back number, and this back number shall be used throughout the show season for this pair of riders and same horse.

Pleasure and pattern classes. 1st rider works the first half of pattern/direction as designated and then will line up per the instructions given by the judge or ring steward. The 2nd rider will then enter the ring and the riders will switch. There will be 3 minutes allowed for saddle changes if necessary. The 1st rider may exit the ring after the 2nd rider is mounted. The 2nd rider works the second half of the pattern and then lines up. Judge will score each ride equally in determining the final placing of the class. Both riders should be dressed accordingly for the discipline.

Showmanship class. Both exhibitors enter with the horse into the ring. 1st exhibitor will set up at the start of the pattern while the 2nd exhibitor will stand at the designated location shown on the pattern to switch. 1st exhibitor will execute the first half of the pattern and stop at the designated point. The exhibitors will then switch positions and the 2nd exhibitor will complete the pattern. Judge will

score each pattern equally in determining the final placing of the class. Both exhibitors should be dressed accordingly for the discipline.

Barrels. All 1st riders in the class shall perform the barrel pattern at a walk-jog. 2nd riders shall then execute the barrel pattern at a walk-jog/lope in the same order as the 1st riders. Judge shall place and assign points to the 1st riders based on run times and will do likewise for the 2nd riders. Each first place rider shall receive the number of points equaling the total number of riders with times and each subsequent placing receives one less point than the previous placing. Disqualified rides receive 0 points. The highest combined points for both riders will determine the final placing of the class. Both exhibitors should be dressed accordingly for the discipline.

Year-End Champion Generation Gap Pair Award for the Small Grandstand will be determined by the high point placing of a same pair of exhibitors with the same horse for all 6 classes over the season. Award will be presented at the last show. [2/4/21]

xii. GENERATION GAP CLASS (East Show Ring):

There must be a minimum of 10 years difference in age of riders. Either rider may be 1st or 2nd rider. The age of rider does not determine who works as 1st or 2nd rider. Only one exhibitor needs to sign up for the class and there will be a spot to list the 2nd rider on entry form. Back number of pair must match the back number used to sign up for the class.

The 1st rider works the first half of pattern as designated and then lines up as directed by the judge or ring steward. The 2nd rider then enters the ring and riders switch positions. There will be 2 minutes allowed for saddle changes if necessary. The 1st rider may exit the ring after the 2nd rider is mounted. The 2nd rider executes the second half of the pattern and then lines up. Judge will score each ride equally in determining the final placing of the class. Both riders should be dressed accordingly for the discipline. [2/4/21]

xiii. SHANKLESS SHOWMANSHIP:

The exhibitor and horse shall enter the ring with a halter and lead rope and proceeds to the starting cone. All gates must be closed in the arena and no other exhibitors are allowed in the arena. Once at the starting cone, the exhibitor shall unclip the lead and drop it to the ground. The exhibitor will then perform the showmanship pattern without a lead and without touching the horse or halter. Once the pattern has been completed, the exhibitor may lead the horse by its halter to the lead rope, attach it onto the horse's halter and exit the arena. Each exhibitor will have 2 minutes to complete the pattern. Once 2 minutes have expired, the ring steward/judge will dismiss the exhibitor from the ring. [2/4/21]

xiv. WESTERN RIDING:

Western riding is an event where the horse is judged on quality of gaits, the ability to change leads smoothly, responsiveness to the rider, manners and disposition. The horse

should maintain an even cadence of gait and change leads precisely and easily, front and rear simultaneously, at the center point between markers as indicated on the pattern. The horse should have a relaxed head carriage showing response to the rider's hands, with moderate flexion at the poll. The tail may lift with each lead change but should not show resistance by excessive use or wringing. The horse should cross the log at the jog; show gait and lope without breaking gait or radically changing stride. Tack, attire, and method of handling the reins are the same as for western horsemanship. Scoring is on a basis of 0 to 100, with 70 indicating an average performance. Each rider begins with a 70 score and has points added for excellence or deducted for poor performance for each maneuver. Maneuver scores are to be determined independently of penalty points. [2/4/21]

xv. BAREBACK EQUITATION:

Open to English or Western riders. Judged on the ability of the rider to walk, jog/trot, and lope/canter while riding without a saddle. English riders must be able to show a post at the trot, and western riders are not allowed to wear their chaps during this class. Class will be judged on the rail. [2/4/21]

xvi. SURPRISE ENGLISH EQUITATION:

Class is judged as a typical English equitation class without the rail work. Riders will enter the arena and turn their horses around, so their backs are facing the center of arena and area to be ridden. When the rider's number is called, they will turn around and walk to the 1st cone. Rider will then be given the printed equitation pattern to review for 45 seconds. After the time is up, the ring steward will take back the pattern and the rider will perform the pattern and then exit the arena. This shall continue for each rider until all riders have completed the pattern. All riders will be given the same pattern. Any rider that turns around and faces toward the arena during another rider's pattern will be disqualified. [2/4/21]

xvii. PAIRS PATTERN:

Open to English or Western riders. Attire and tack must meet the requirements for the discipline ridden. An entry will consist of 2 horses and 2 riders. This pair of riders will create their own 2-minute-long freestyle pattern that can be created before the show. Judging will be based on creativity, completion, body position, communication with the horse, ability for both riders and horses to be in sync and most overall alike. Judging will end two (2) minutes after the start of the pattern. Only one exhibitor needs to sign up for the class and list the 2nd rider and horse on entry form. Back number of the pair must match the back number used to sign up for the class. [2/4/21]

xviii. OPEN RANCH CLASSES: To be judged on the horse's versatility, attitude, and movement as a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Riders may be asked to extend their gaits at the trot and lope. Extended gaits should show an obvious lengthening of stride with an increased pace in a controlled manner. Light contact should be rewarded, and horse shall not be shown on a full drape

of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements, and the horse's quality of movement are the primary considerations. Points earned in Ranch classes will count towards year-end Ranch high point award. [5/12/15, 4/12/18, 4/23/19]

Requirements:

- a. Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
- b. The required maneuvers will include the walk, jog, and lope in both directions and an extended jog and lope in at least one direction; as well as stops, turn to change directions, and backing up.
- c. Optional maneuvers may include a side pass, turns of 360° or more, change of lead (simple or flying), walk, jog, or lope over a pole(s); or some reasonable combination of maneuvers/obstacles that would be reasonable for a ranch horse to perform.
- d. The overall cadence and performance of the gaits with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.
- e. No time limit.

Apparel and Equipment:

- a. Hoof polish is permitted but discouraged.
 - b. Braided or banded manes are permitted but discouraged.

 - g. Conservative western attire is recommended, long sleeve shirt/blouse, western hat/helmet and boots are required. Chaps are optional.
- xix. LIMITED RANCH CLASSES:** Limited Ranch Classes should follow the rules of Open Ranch Classes, but only beginner ranch riders are eligible to participate in the Limited Classes. Limited riders are defined as riders that are new to Ranch Riding, non-professionals and/or having not won 2 or more Ranch Classes and/or have not yet accumulated 20 or more points at Approved Ranch shows (ARHA or AQHA) and/or have not won more than two (2) GHPA year-end high point awards for this class. [5/2/18, 2/4/21]

- b.** Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Halters with silver are permitted but discouraged. Leads may have a chain end and chain can be placed under the chin. **No** lip chains that run through the mouth are permitted.

- xxi. RANCH REINING:** The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward-looking manner. The ideal ranch reining horse should have a natural ranch horse appearance from head to tail in each maneuver. Patterns may be chosen from any of the ranch reining patterns or approved by the show management and judge. All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins, using either hand to instill fear or praise, etc. To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. The horse/rider team's overall performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exciting a pleasing to watch. [5/2/18]

- xxii. RANCH TRAIL:** The ranch trail class should test the horse's ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness, efficiency and pattern accuracy with which the obstacles are negotiated, and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well broke, responsive and well-mannered horse which can correctly navigate and negotiate the course. The ideal ranch trail horse should have a natural ranch horse appearance from head to tail in each maneuver. It is mandatory that the horse be asked to walk, trot and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Caution must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider. The show committee shall have the option of setting up the trail course to best fit the arena conditions. [5/2/18, 2/4/21]

- xxiii. CONTEST CLASSES:** To be judged as timed events. Timing shall begin as soon as the horse breaks the timing line and will be stopped when the horse breaks the timing line a second time. The contestant is allowed a running start. Knocking over an object on the course carries a time penalty. Touching an object on the course will not disqualify, nor carry a time penalty. Failure to follow the course shall result in a "no time." Failure of a contestant to cross the start and finish line will result in a "no time." [3/2/05, 2/4/21]
 - a.** Contestant has one (1) minute to enter the ring.
 - b.** Contestant must stay behind starting cone when warming up [5/5/90], 60 second time limit to break the timer after number is called. [2/2/93]

- g. No contestant may enter or exit the ring at a run or this will result in disqualification. [1/8/88]

- i. Numbers may be placed on either the back of the rider or on the saddle pad & must be completely visible to the judge. [1/8/88]

It is the responsibility of the rider, or the parent or guardian of the youth exhibitor, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use and is properly fitted and in good condition. The GHPA show chair, board of directors, and officers are not responsible for checking headgear worn for such compliance.

The GHPA show chair, board of directors, and officers make no representation or warranty, expressed or implied, about any protective headgear, and cautions exhibitors that death or serious injury may result despite wearing such headgear, as no helmet can protect against unforeseeable injuries in equestrian activities.

The GHPA show chair, board of directors, and officers may, at his/her discretion, check an exhibitor's protective headgear for proper standards. If the exhibitor is found to be wearing unapproved, defective, or improperly fitted headgear, he/she will not be permitted to participate in jumping classes until proper headgear is acquired.

Except for hackamore/snaffle bit classes or junior horses shown with a hackamore/snaffle bit, only one hand may be used on the reins, and the hand must not be changed. The hand is to be around the reins; index finger only between split reins is permitted. In trail, it is permissible to change hands to work an obstacle. [3/2/05] The exception is the Junior Horse which may show in a bosal or snaffle with two hands on the reins. [1/8/88]

J. Whenever the rules refer to Romal, it means an extension of braided material attached to closed reins. This extension is to be allowed to be carried in the free hand with 16 inch spacing between the reining hand and the free hand holding the Romal. [4/23/19] Divisions for daily high point awards will be determined by the show committee prior to the first show of the show season and may not be changed after the date of the first show of the season. A list of qualifying classes for each daily high point division will be

determined by the show committee prior to the first show of the show season and may not be changed after the date of the first show of that season. [2/1/06]

Accumulation of points and service hours begins only *AFTER MEMBERSHIP IS PAID* and signed membership form is received. Any show points earned before membership is paid WILL NOT COUNT towards eligibility for year-end awards. Any service hours earned by a member who participated on a recognized committee (e.g. Show Committee, Sponsorship Committee, Banquet Committee, Education Committee, Scholarship Committee) before his/her membership was paid for the current year shall accumulate towards a member's eligibility for year-end awards provided the hours are

submitted to the Membership Chair by a recognized Committee Chair during the first month of the regular GHPA show season for that membership year (See Rule 12D).

- B.** Individuals may earn service hours on behalf of themselves or an immediate family member by participating on a recognized committee or by working at a regular GHPA horse show. - D.** Service hours accumulated from January 1st through September 30th of the current show season only apply towards qualifying a member exhibitor to be eligible for year-end awards. Committee and non-show service hours that are earned before the first regular GHPA horse show shall be submitted to the Membership Chair by the issuing committee chair during the first month of regular GHPA show season.
